

# Happy Household Pet Cat Club

## Application for HHPCC Membership

The Happy Household Pet Cat Club was organized in Sacramento, California in 1968 with 13 members. We have grown to become a truly international organization. The HHPCC rosettes are sent to cat shows who request them and promise to send us a marked show catalog with HHP winners. Our yearly awards go out to the Top Cats and Kittens in the entire United States and Canada. You need not be a cat owner to join, but must be a member to have your cats' wins scored and to receive our newsletter, the Happenings. In it we publish items of interest to all cat lovers—cat and animal welfare—cat show reports—cat poems—cat pictures, anecdotes, book reviews and health articles. If you are interested in joining our club, please send \$20 for one or two persons at the same address to Dorothy Lewis, Treasurer, address below. Cat registration is \$4, if desired. Registration is not required in order to have your cat's wins scored, but is required to claim titles. Ask the show management of the cat show you plan on attending if they have applied for our beautiful rosettes for awarding at their show. We must have four weeks notice to process these requests.
